

## **COVID-19 – SAFETY GUIDELINE ON OUR TOURS**

**Our top priority is your health and the health of the staff. Special measures have been put in place to keep clients and staff safe during and after activities.**

### **Equipment :**

**We recommend that you supply your own personal equipment like warm clothes and boots for our winter tours and activities.**

**All common gear, such as sleds and snow shoes, shall be cleaned after each use.**

### **Guests :**

**When possible, individuals must remain at least 2 meters apart. Otherwise, wearing a mask is mandatory. You should supply your own mask.**

**Guests experiencing symptoms will not be accepted for the activity. We will reimburse or re-schedule your tour.**

### **Operational Considerations :**

**In order to maintain safe and efficient operations the number of clients per activity is limited.**

**We can only accept a maximum of 2 people from the same immediate bubble at one time.**
